CTK's Faith Formation is centered on our families. The church calls parents to be the primary catechists to their children. Whenever a child is baptized in the Catholic Church, the parents are reminded that – in asking for the child to be baptized – they are accepting the responsibility of raising their children in the practice of the Faith.

The role of the parish is not to replace that duty. We are here to equip parents in their role. Our family program provides resources to groups of parents, so they can come together and share their experience of how to live the Faith at home. The program provides family friendly, age-appropriate activities and discussions. Regularly attending these sessions for parents and families will assist you to learn, teach and live our Faith together, and do it more fully. These teachings are a way of life, not just a class to attend.

In this year's family program, **God's Plan in Scripture (GPS)**, we will journey through the Bible, focusing on stories from the Books of Joshua, Judges, Kings, several of the Prophets, and Maccabees, learning salvation history (the "big story" found in the Bible) and understanding our place within it.

If you have any questions, please contact Rosemarie in the RE Department at rfearrin@ctkevergreen.com or 303-674-5282.

FAMILY PROGRAM (K – 5th Grade): God's Plan in Scripture (GPS)

Parents attend one monthly Wednesday Adult Meeting (five total) and **families** attend one monthly Sunday Family Meeting (six total). **If your child is receiving a sacrament, there is an additional sacramental preparation program.** Regular Mass attendance is an expected part of our faith and your child's faith formation.

The parent session will introduce the month's Bible stories and help parents deepen their own knowledge of the Catholic Faith. At home, your family will read a preselected text from the Bible and then read a summary of that text in the Storybook. Discussion questions and activities help make the Catholic faith a part of your family's daily life. The second session, the Family Meeting, is for the entire family and includes lunch, a Q&A review with the children and activities to supplement the work you do at home. Please see the Family Program meeting dates at the end of this packet and include them in your family calendar as regular attendance is required.
